

Dear Sponsor,

On August 22, 2009 at 9 o'clock in the morning at Philipsburg Osceola Junior Varsity softball field in Philipsburg, ProCare Fitness & Therapy will be hosting a 5K Run/Walk (3.1miles) to benefit St. Jude Children's Research Hospital.

St. Jude is unlike any other pediatric treatment and research facility. Discoveries there have completely changed how the world treats children with cancer and other catastrophic disease. ProCare Fitness & Therapy is committed to helping St. Jude Children's Research Hospital in continuing their efforts in treating children with cancer and other childhood diseases.

We are excited to hold a race for such a great cause and look forward to your participation with our event.

Sincerely,

Greg Bartram
