To All Altoona ProCare Fitness Members,

Beginning October 1, 2017, Ray and Angela Ross, will be the new owners of Altoona ProCare Fitness. Ray and Angela are the current owners of Gorilla House Gym in Altoona. The Altoona ProCare Fitness name will be changed to Gorilla House Gym.

This is an exciting opportunity for Ray and Angela and they are eager to expand the ability to offer their capabilities in a larger capacity with additional programming to our community.

Ray and Angela will continue to honor all existing membership agreements and will make the transition in ownership as smooth as possible. Although change is hard, we know this will strengthen and build the club to its fullest potential.

A note from Ray and Angela: First and foremost, Ray and I want to say thank you for the opportunity to bring you the highest quality programming, instruction, facilities and equipment in our area. We know you will soon appreciate the positive impact our work provides to each of your lives as much as we appreciate your business. We really do feel that Gorilla House Gym cannot be beat, and hope that you feel as strongly about your successes as we do - we can't succeed without you.

You will continue to receive all the services you are accustomed to with Pro Care Fitness, a clean gym, quality equipment, operational hours, 2B Fit programs, tennis, yoga, group exercise and personal training. We will actually be adding additional group exercise classes to the schedule and bringing in our qualified, energetic trainers who prioritize your fitness needs, so there will be more opportunities to personal train for those who want a one on one experience or have specific goals. We have encouraged the current ProCare Fitness staff and trainers to continue employment with us and continue to help members achieve their fitness goals.

As we integrate costs we do plan to make changes to membership packages, as current members you will be grandfathered in and your current memberships will be honored. We encourage you to continue to check our website and Facebook pages for updates as we move to 1 October. www.gorillahousegym.com You will see Ray and I around the gym frequently, please stop and introduce yourself, we look forward to meeting all of you and working with you to create a strong fitness community

ProCare Fitness is excited about the changes and the future of the soon-to-be Gorilla House Gym and this change will provide a unique and quality fitness experience to our entire community. On behalf of Dr. Reinhardt and the management of ProCare Fitness thank you for your years of service and loyalty to ProCare. We wish you the best moving forward!

Respectfully,

Jim Foreman
